Blueberry Carrots

Nick and Judy at Spoken Lyrics Night at the ZPD

Judy, looking up from some sheets of paper: Uhâ€|?

Nick gives her a double thumbs-up from the darkened crowd of off-duty officers

Judy: O.Kâ€| "Nick, you're always there. A catch of no compare.

Your studliness unrivaled, your bod a burnt-orange idol."

Judy makes a face at the song Nick wrote for her

"Nick, you're oh-so sweet?"

"Nick, make love to my feet." *crowd mutters, Bogo scratches his horns*

"Nick, you are so bold. Nick, you rock my world."

Judy gives him a look of disbelief, he nods

"Nick, you lookin' fine. You sexy fox of mine."

Everyone bursts into a literal roar of laughter, everyone but Nick

Judy:_ NICK_. *crumples up papers and stalks towards him*

****Nick, calmly looks down at _his_ sheets of paper**:** "Judy, my sweet dear.

I think it's very clear. There's none other to compare, to the friendship we both

share." *Judy stops, everyone settles down* Though sometimes you are quite

rough, I know that true love must be tough." *Nick smiles up at her* You're my

Carrots, I'm your friend, and we'll be together until you finally get your pen."

Holds up carrot pen

Judy's eyes water as she hops into his arms, his paws cradling her thighs and supporting her lightness. They then share a deep, brief kiss. Everyone stares

****Nick, looking into Judy's eyes**:** You're dismissed.

No one moves

****Judy**:** 1â€| 2â€|

Everyone gets up and leaves except Ben

****Nick, grinning**:** 2 and a half.

****Ben, gushing right beside them**:** 2 and three quarters.

****Judy, smiling into her love's deep green eyes:**** Three.

They both kiss even deeper as Ben hugs them

The End.

End
file.
